- Look at the dates on the picture.
- Now match the times in the box with the dates in the picture.

Listen and check in pairs.

2 WHAT DO YOU THINK?

Look at these pictures in pairs. Put them in order. Start with the most recent.

 ① The first man on the moon	 ② The invention of ice cream	 ③ The first motor car	 ④ Dinosaurs
 ⑤ Christopher Columbus discovered America	 ⑥ The Mayan Civilisation in Mexico	 ⑦ The Roman Empire in Britain	

With your partner, suggest times for these events. Use the picture and the dates in 1 to help you.
